Outcome/Actions

- Review CLP
It's currently going to the printers
- Review Questionnaire

Class 4:

- Learning journeys have helped them
- They haven't used the equipment much in maths
- Like to work in partners and alone
- They like it when it is quiet so they can concentrate
- A good lesson is fun and learning something at the same time

Class 3:

-
- The writing journeys are fun and exciting
- They like using the dienes and the counters because it helps them understand the question
- They like to have time think
- Learning new information and having a challenge
- Curriculum changes
After Christmas the teachers use the CLP words to plan a project around it. At the end of the project parents are coming in to see what learning has been happening. There will also be home learning.
- Photos for display

Photos of the school council are going to be put on display

Action:

School council members need to think of some questions about what could make the school even better.
