

Sport Premium 2016-2017: What you need to know

Primary school PE and sport funding

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding: Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

Accountability: From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision. One year on, Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

The Sports Premium for Curdridge Primary School 2016-2017 = £8,472

This money has been/will be spent in the following ways:

The intended impact of the use of funding includes:

Access to progressive planning across all aspects of PE leading to:

- Raised expectations in gymnastics and dance
- Greater progression and consistency in teaching of gymnastics and dance across the school
- Improved performance in gymnastics and dance by pupils
- Increase in range of physical activities on offer across the school leading to more children participating in extra-curricular clubs
- Continued support for PLT at cluster meetings
- Purchase of resources to support teaching of PE
- Continued participation in cluster School Games events
