Outcome/Actions

- Review new projects and the change in the curriculum
Class 4- Wasn't the most exciting project but we enjoyed sharing our PowerPoints with our parents

Class 3-

I liked the volcano project, I really enjoyed erupting the volcanoes and it was the best project.

I thought it was a good project, I liked creating a PowerPoint and sharing with our parents.

I liked doing the volcano project, I really enjoyed the PowerPoint and erupting the volcanoes.

Class 2-

I liked when we made the fruit sculptures and we were able to eat them afterwards.

I liked it when we made the kebabs and got our parents to do exercise.

Generally-

We like the outcomes at the end.

The CLP wheel helps us because we focus on specific skills.

Teachers talk about the skills we are going to be working on in each lesson.

- Health and Safety walk
The school council are going to be doing a health and safety check every month.
The 2 children who will be doing this next week are:
