CURDRIDGE PRIMARY SCHOOL

Year 1 & 2

Gury Fawkes and the Gunpowder Plot

Our Learning

To start this topic we will be welcoming a 'visitor' into Class 2 and will be encouraging the children to answer the question; 'Who is this Guy?'

We will also continue to look at seasonal changes and will be learning about bonfire night and firework safety.

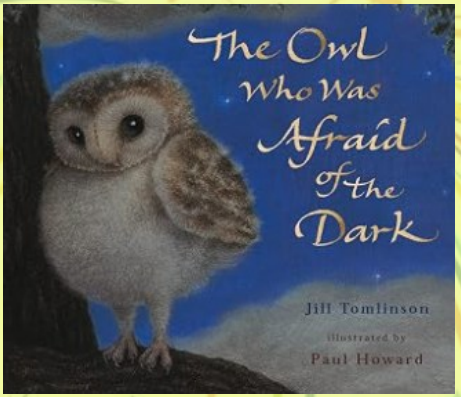

History–

This is our lead subject for this topic and the children will be learning about The Gunpowder Plot. We will discover who was involved in this historic event, why the plot was made and what happened as a result of it.

English–

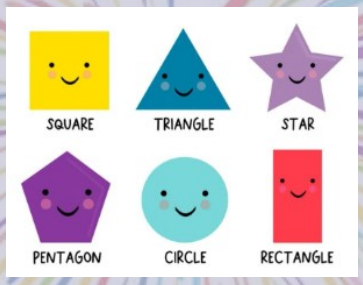

We will be using the book 'The Owl Who Was Afraid of the Dark' by Jill Tomlinson as a stimulus for our English work this half term.

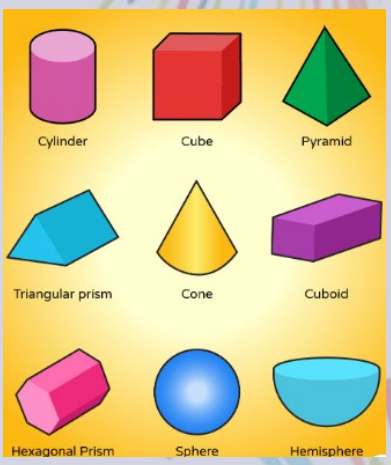

Children will be continuing to develop their understanding of sentence structure and punctuation in reading and writing and will be creating their own fact files all abut owls.

Maths-

Year 1 children will continue work on addition and subtraction within 10., consolidating their number bonds to 10 and will finish the half term learning about 2D and 3D shapes.

Year 2 children will consolidate their learning on addition and subtraction, learning and applying different strategies for solving addition and subtraction problems. At the end of the half term, children will also be learning about 2D and 3D shapes.

Science -

In Science children will be exploring and investigating everyday materials.

They will be describing, and sorting materials and looking for examples in everyday items.

Art–

The children will be looking closely at the patterns made by fireworks and will then be creating their own artwork using a variety of different medias before learning about the colour wheel.

Music–

Ho Ho Ho

Our music work this half term will also involve learning songs for our Nativity performance – more details to follow nearer the time!

PSHE–

Valuing Differences

RE–

Light as a symbol - Advent and Hannukah.

ICT-

Computer art/firework pictures

PE–

Invasion Games

Gymnastics– basic shapes and rolling
