

Sports Premium allocation plan 2024 - 2025

In the academic year of 2024 - 2025, Curdridge Primary School intends to spend the Government funded sports premium (£17,000) on the following initiatives designed to build further capacity in all areas.

1 – Increased confidence, knowledge and skills of all staff teaching PE and sport				
Intent	Implementation	Impact	Next steps	Cost
PE planning implemented consistently across the school	High quality provision for all classes	Lesson observations show a consistent high level of PE across the school. KS1 pupils are confident in the fundamentals. KS2 pupils are performing well in KS2 events.	On-going	£2000
PE teachers to be supported by sports coach.	Sports coach to provide school staff with continuous support with the planning and delivery of PE lessons.	PE lessons show a high level of engagement and skills are being taught to a high level.	On-going.	£1000

2 – The engagement in all pupils in regular physical activity				
Intent	Implementation	Impact	Next steps	Cost
Track all pupils in KS2 activity levels.	Broken moki bands to be replaced.	Award system in place for groups of children who are the most active.	Continue to support the least active children in their physical activity	£200
Introduce play leaders	Sports coach to be employed a run a sports leaders club.	Sports leaders to be trained to run activities during break times.	Sports leaders to continue their role in promoting physical activity	£500
Encourage active break times	We allocated the zones so there were a wider range of sports	Children are now taking part in football, dodgeball, basketball, four square games at break and lunch	Continue and evolve the zones	£1000

3 – The profile of PE and sport is raised across the school as a tool for whole school improvement				
Intent	Implementation	Impact	Next steps	Cost
Improve the understanding and awareness of PESSPA within the school.	A sports coach has been employed by the school.	The profile of PE and School Sport has been raised and staff training has been implemented.	On-going.	£10,500

4 – Broader experience of a range of sports and activities offered to all pupils				
Intent	Implementation	Impact	Next steps	Cost
Increase and improve sports equipment.	New football goals, rugby balls, tennis balls, tennis nets and hockey equipment to be purchased	The new pop-up football goals have been used weekly at football club and during break and lunchtime. The tennis and hockey equipment has enabled children to experience tennis and hockey and develop bat and ball skills	Review the curriculum to see if there are any new sports that children would like to work on	£1,200

5 – Increased participation in competitive sport				
Intent	Implementation	Impact	Next steps	Cost
Provide more children with training for sports events, to prepare children for competitive events and festivals.	A sports club is run before school which will focus on school events.	Children are better prepared for sports events. There is an increase in the participation at sports events.	Make links with a wider variety of clubs in the local area.	£500
More sports events to be entered.	The sports coach to liaise with the sports games organiser and enter school teams into competitions and festivals.	Children are better prepared for sports events. There is an increase in the participation at sports events.	Participation levels at events to be continued.	£100
